We always use nature's purest form of sweetness — HONEY! We always use whole ingredients. We always say NO to extracts and preservatives. Our flavors always come from nature: fresh pressed juices, natural herbs and spices

## **Spindrift Soda**

Spindrift hopes to change how America experiences sodas. We start with triple purified sparkling water, fresh squeezed fruit or berry purée (pulp and all!), and a dash of cane juice. No syrups, no juice concentrates no additives, no preservatives. The result is a light, refreshing, delicious soda. So what makes spindrift taste so much better?
