## Mapleline Farms

Mapleline Farm is a family owned and operated dairy, committed to providing the freshest, all natural milk you can find. What sets our milk apart from others is we produce and bottle our milk right on the farm and our Jerseys produce rich and creamy milk that you and your family are sure to love!

## SideHill Farm

Sidehill Farm yogurt starts with just two ingredients — the sweet, high-protein milk from our grass-fed cows, and a blend of probiotic cultures. We believe that the best way to produce tasty and healthy yogurt is to start with excellent milk, and the best way to do this is to raise healthy, happy cows. Because our cows graze fresh grass after each milking, and eat very little concentrated feed, our yogurt is high in omega 3 fatty acids, conjugated linoleic acid, and other proteins, vitamins, and minerals necessary for building a healthy body.

# Local Products

## Carlson Farms

Carlson Orchards is committed to making the highest quality orchard products available in the New England market. All of our products are wholesome, delicious, and carry our recognizable brand-name of local excellence. Carlson Orchards Premium Blend Cider is made from only the freshest apples available - grown mostly here in New England.

## Spindrift Soda

Spindrift hopes to change how America experiences sodas. We start with triple purified sparkling water, fresh squeezed fruit or berry purée (pulp and all!), and a dash of cane juice. No syrups, no juice concentrates no additives, no preservatives. The result is a light, refreshing, delicious soda. So what makes spindrift taste so much better?
